GV - HH Mapping (Avg HHs/ Mapping based on House or Family cum Ration Card/ Any problems like if GV post is vacant)	On an average each GV got 120 plus HHs. 200 HHs yet to be mapped
GV Training frequency & PoC (Need based or Regular sessions/ VS Level or Mandal Level)	As of now GVs got merely got 2 to 3 training sessions. It is suggested training sessions for GVs to be conducted in a regular interval at VS level(Atleast one session per month)
GV Training Content & Method (Central modules for training / Interactive methods/ Evaluation of GVs)	It is suggested Personality development and Communication skills training methods to be included, as most of GVs finds difficult to interact with HHs
GV Monitoring by VS (Attendance/Daily Monitoring/ Task based/ Performance evaluation & Feedback/ Any fraudulent activities)	Attendance will be captured once in a day. As of now there is no proper mechanism to deal Daily Monitoring/Performance evaluation & Feedback/ Any fraudulent activities. It is suggested a proper mechanism structure with escalation matrix to be incorporated for GV performance enhancement
Reasons for GV Dropouts (Work Stress/ Salary/ Education/ Better Opportunity)	Work stress/Salary/Education
Section 3: Areas of Improvement	
3 problems areas for VS, GV system & possible measures to be taken	1. Currently there is no proper mechanism of appointment of new GVs, if the old one has been resigned. As of now it takes weeks or months for new appointments
Execution of requests (Lack of knowledge / Data Entry Issues with Digital Assistant / Lack of Resources)	It is suggested extra Digital Assistant to be appointed if VS/WS will have more than 1500 HHs
Any insights for improving training and monitoring of GVs	It is suggested Personality development and Communication skills training methods to be included, as most of GVs finds difficult to interact with
