## Delivery of Services within SLAs

### Key observations:

- **Lack of proper training and handholding** on processing applications at GS/WS by the staff
- **Delay or rejection at Mandal level:** Some of the VS staff are suggesting the citizens to apply through mee/e-Seva for faster processing of applications
- **Allegations of Corruption:** Mee-/e-Seva are asking for extra money to process the applications quickly especially during the rush period of schemes  
*Example: Mee/ e-Seva allegedly charged extra amount of 8-9 times of application fees for issuing Caste certificates during YSR Cheyutha*
- **Mandal officers influencing VS staff:** At a few places, Admin Secretaries were asked to share their login credentials with Mandal officers

### Major reasons for rejection of applications by Mandal officers:

1. To reduce the number of pending applications at their end
2. Expectation of bribe especially by senior VROs
3. Lack of transparency on reasons for rejection

*Example: Different home and work addresses. Despite providing evidence of job, the VROs are not processing the certificates*

### Major reasons for not meeting service level agreements:

1. Unavailability of high-security stationery for printing
2. Server issues
3. Vacancies/ absenteeism of VS/WS and mandal level staff are causing delays in the processing of applications
  1. Some of the VROs are not attending the GS/WS
  2. In charge VROs filling in for vacant VRO positions do not turn up to work regularly
4. **Lengthy process with multiple approvals:** non availability of any of the approving authority can delay the process
5. **Login access:** Not all GS can issue birth/ death certificates as only Grade-1 employees in major panchayats has CSR login access
